I think the same is true for the LWG SR. Mgrs, they have it on their calendars for 5/16 and I think it would be tough to change at this point. Jim.

Thanks - I just got an update from Deb that she will be available to represent the senior managers for us but Dan is a definite no. Given how tough it is to work with Dan's schedule these days I think we should try to stick with 5/16.

I earmarked that date for Dick, but we could change it.

Jim = I didn't see much in the way of a response to this earlier but have been checking with our Deb Yamamoto and Dan Opalski and the 5/16 date looks like a problem for both of them. I'm checking on alternate dates but wanted to make sure everyone isn't already locked into 5/16. I agree that we were going to keep this to a 2 hr meeting.

In our 3/14 PH Mgr meeting we talked about the 5/16/07 Senior Mgrs mtgs that should be on our schedules. We discussed how we wanted to make this a short, focused mtg discussing project schedule & data gaps. My boss, Dick Pedersen, schedule is pretty crazy, so I'm trying to get as much lead time as possible to plug him into the 5/17 mtg. Is the mtg date firm & can we set a time? I understand we wanted to keep this mtg to only 2hrs long.
